Hi Dori,

We are slowing down for sure but plan on being open through the month and hopefully at least weekends in October.

We are still selling memberships, however. We now have a total of 126 memberships which is a mix of single, family, couple, student, etc.

This last month in August, we have several end of the year tournaments including womens, mens, senior men, senior womens, 4-man scramble, night golf, etc. We also held large group events like company retreats, birthdays, etc.

Also, thank you for allowing the city guys to trim a branch over one of the sheds. It didn't take long at all and they did a great job. The tree was literally on top of the roof before they cut it down.
