IV. ELECTED AND APPOINTED OFFICIALS

12. None

V. PUBLIC HEARINGS

13. At 5:36 pm Mayor Beyer opened the public hearing for CDBG Funds for planning activities for downtown revitalization. Interim City Administrator Coolidge stated although an amount was published, they could not meet the grant's strict procurement timeline for hiring a planning consultant (MC Schaff) before Monday's deadline. As a result, they will prepare for a possible second funding round—if one is offered—or wait for the next cycle in 2026. Mayor Beyer closed the hearing at 5:38 p.m.

14. At 5:38 p.m Mayor Beyer opened the public hearing seeking CDBG grant funds to fully replace deteriorated sanitary sewer lines in two alley sections—from O to P streets and P to Q streets, from 12th Street to the highway—since sleeving repairs proved unworkable. The total project cost is projected at \$409,000, with an 80/20 grant-to-local match ratio; the city requests \$372,233 and would contribute roughly \$81,808. Seeing no comments received, Mayor Beyer closed the public hearing at 5:40 p.m.

VI. ORDINANCES AND RESOLUTIONS

15. Council Member Harless introduced Resolution 2025-16, and moved that the resolution be adopted, seconded by Council Member Wickard. Roll call resulted as follows: Aye: Nichols, McGrath, Wickard, Harless; Nay: None. Resolution passed.

RESOLUTION NO. 2025-16

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BRIDGEPORT, NEBRASKA:

1. The public safety, convenience and welfare require that Pedestrian Crossings be established as authorized by §94.41 of the Municipal Code.
2. Pedestrian Crossings shall be established at the following street intersections at all of the sidewalk approaches to the intersections of the following street:

9th Street and O Street

Any other resolutions or portions of resolutions inconsistent with this resolution are repealed, except that this repeal shall not be construed to affect any liabilities or causes of action existing or pending at the time when this resolution becomes effective..

VII. REPORTS

17. Departments:

Public Works: Have been unplugging storm drains; Shop roof is nearly complete, and the fence installation is scheduled for the first week of October.

Pwcc: Weight room AC has been fixed; Spin room condensing unit compressor failed, and Council Member McGrath will visit with Ron and Dane with a repair plan; New dance class launched successfully, high parental sign-ups; Received positive feedback on the new weight equipment.

Library: – After school program attendance is around 25 children; started Preschool “challenge story times”; Building renovation bid process opened through October 8; AC issues is under review by Library Board

Fire Dept: – Active membership at 16; Discussion revealed that two honorary members have been driving rural fire equipment; need to confirm insurance coverage through the rural board to mitigate liability; A volunteer service award plan and funding resolution will be presented in October to set clear performance incentives.

Nursing Home: Mayor Beyer and Michelle Coolidge continue to oversight fielding public inquiries; reduced resident census impacts rental revenue to the city.

Camp Clark Villa: – Is under the new management initiated cleanup and yard maintenance; currently showing vacancies (one two-bedroom, two-singles); With the HUD requirement, implementing an updated smoking policy in October requiring designated areas 25 feet from buildings, prompting tenant communication and possible unit turnover/rehab costs.

Sheriff: – August saw 175 calls and 19 arrests within the city limits; Department is now fully staffed with a newly promoted deputy (formerly dispatcher) and a dispatcher hire.

Golf Course: New gazebo installed at the driving range; upcoming events include girls high school golf tournament and high school cross country; Ongoing search for a course manager; golf cart storage sheds need targeted repairs (weatherproofing, board-up of wind gaps, possible sealing/painting).

Administration: – The security camera bid for the dump site is on the agenda to allow for monitored “free dump” days, with council to determine the duration. Coolidge stated there is concern from residents about having to cover the cost for others who are not maintaining their property and instead utilize the free roll-off services year-round. She noted that a proposed fee schedule has been prepared for council’s consideration should they wish to implement it to help offset costs.

The “Annual Free Fall Clean” is slated for October 4th from 8:00 - Noon

VIII. UNFINISHED BUSINESS

18. Council discussed their existing 1.5% pay cost of living increase resolution to begin October 1, 2025, and debated whether to add another 1.5% “merit” increase, bringing full-time, non-seasonal employees to a 3% raise while leaving part-timers at the original 1.5%. They also discussed renaming “merit” increased to reflect cost-of-living or longevity adjustments, handling employees on probation and separate certification-based pay bumps. After discussion a motion was made by Council Member Harless proposed to redo the previous (Resolution 2024-02) and adopt a 3% annual raise for all full and part-time staff, seconded by Council Member Nichols. Roll call resulted as follows; Aye: Nichols, McGrath, Harless, Wickard; Nay: None. Motion carried.

19. Discussions were held regarding the hourly wage for seasonal pool staff. It was noted that the minimum wage will increase to \$15.00 per hour on January 1, 2026. While municipalities are exempt from this requirement, Council agreed it would not be practical to pay less when competing with other businesses paying minimum wage. It was also discussed to begin the process of hiring lifeguards earlier so that all certifications can be completed during the winter months.

IX. REGULAR AGENDA

20. Emergency Items – None.

21. Mayor Beyer stated the state project location is a sidewalk crossing from the Community Center to the Steel Grill. Council Member Harless made a motion to approve the mayor's signature to the Municipality Agreement State Project No. NH-STP-26-1(177) Control No. 51642 in Bridgeport, Agreement No. XL251, seconded by Council Member Nichols. Roll call resulted as follows; Aye: Harless, Wickard, McGrath, Nichols; Nay: None. Motion carried.

22. Council Member Nichols made a motion to approve the mayor's signature to the following required documents for the Community Development Block Grant (CDBG) applications for the sanitary sewer project, as well as any additional documents necessary to complete or support this grant; seconded by Council Member McGrath. Roll call resulted as follows; Aye: McGrath, Nichols, Harless, Wickard; Nay: None. Motion carried.

23. Council Member Harless made a motion to accept the proposal from Alarm Security Technicians in the amount of \$1,449.32 for a 2-camera surveillance system, 4-channel DVR at roll off dump site located at 405 W 5th Street, seconded by Council Member Nichols. Roll off resulted at follows; Aye: Nichols, McGrath, Harless, Wickard; Nay: None. Motion passed.

24. Mayor Beyer stated there is approximately \$40,000 available in ACE Reward funds designated for community projects and requested input on potential improvements at East City Park. She suggested updates such as replacing the small playground equipment, installing rubber safety tiles similar to those used at the school, refreshing the shelter and picnic area, improving the restrooms, and possibly adding a piece of handicapped-accessible equipment. She will have Andy Leisy prepare cost estimates for presentation to the Council.

25. Mayor Beyer stated that the Morrill County Community Hospital will hold its meeting on September 18, at which time it will be determined whether they will accept the city's proposed \$150,000 installment plan agreement.

26. Mark Wickard presented his claim regarding the main water break on May 25, 2025. He reported that the water pressure caused flooding in his crawl space and damaged his \$8,000 boiler. He is seeking \$5,000 in damages to cover his private insurance deductible. Discussion followed regarding the failure of his backflow preventer as well as the broken pipe at the school. The city received a letter from its insurance company stating the city was not liable. After further discussion, the matter was tabled until the next meeting to allow the city time to obtain additional information on whether the school had filed a claim with the city's insurance company and received payment.

27. Craig Barnette addressed the council challenging a letter he received dated August 25, 2025, accusing him of removing the concrete sidewalk in front of his property and replacing it with rock. He repeatedly asked who had complained and when the council first learned of the issue, council members admitted they only sent one letter, could not name the complainant and had no clear record of prior notifications. They also conceded that "sidewalk" is undefined in local code (no required width, material, etc.) making enforcement arbitrary. The homeowner showed photos of his property which shows a sidewalk in front of his building, photos of nearby sidewalks needing repaired and title-history evidence suggesting no continuous sidewalk ever existed on his lot at the time of his purchase. Council members agreed that many sidewalks around town are in disrepair and that the city's outdated ordinances (dating from 1973) lack clear construction or maintenance standards. Council Member McGrath made a motion to rescind the letter dated August 25, 2025, and any requirements henceforth, seconded by Council Member Wickard. Roll call resulted as follows; Aye: McGrath, Nichols, Harless, Wickard; Nay: None. Motion carried.

X. ADJOURNMENT

At 6:55 p.m., Council Member Wickard made a motion to adjourn, seconded by Council Member McGrath. Roll call resulted as follows; Aye: Harless, Wickard, McGrath, Nichols; Nay: None. Motion carried.
