VII. REPORTS

17. Departments:

Public Works: Mayor Beyer reported in the absence of Dane Jeffords stating a lightning strike damaged the underground line of the NW conversion. They currently have a jumper in place to maintain service until they can pull new wire. The crew worked through the night and was out making repairs until approximately 2:30 a.m.

Pwcc: Kathy Baxter contacted Nick with Partitions.com to obtain measurements and other information regarding the partitions. The Greek Festival is scheduled for August 15. Kathy also reported that a new defibrillator was purchased through Morrill County Hospital, as the current unit is outdated. The council discussed contacting Kay Anderson to provide PWCC staff with training on the new defibrillator, as well as CPR instruction.

Library: Melissa Butler reported this past month was relatively quiet, as is typical for this time of year. The annual book inventory is scheduled for the end of the month. Library programs will resume in September, including several children’s programs and a few adult programs.

Fire Dept: Fire Chief Casey Sides reported that activity has been relatively quiet, with only a couple of minor incidents. The largest incident was a vehicle fire west of town. Department members are doing well, and the probationary firefighters are progressing and becoming more proficient with the trucks. Using donations received from the Morrill Fire, the department ordered gear bags for members to keep their equipment organized and readily available during extended calls and as well as updating some of its wildland firefighting gear.

Camp Clarke Villa: Council Member Harless reported the villa is at full capacity

Sheriff: The July ambulance service reported 13 rescue calls; with six occurring within the city limits and seven outside the city and 23 patient transfers. The department responded to 168 calls and 13 arrests. Overall, July was a busy month. With school starting, the department will also be getting back into its school-related activities.

Cardenas also raised concerns regarding e-bikes and other motorized bicycles. There have been increasing calls from residents asking what rules apply and whether the City has an ordinance regulating their use. The department would like to work with City Attorney Rodak on developing an ordinance addressing e-bikes and other motorized bicycles.

Cardenas discussed potentially installing two additional cameras on the east side of the PWCC to provide better coverage of the parking area as well as to provide broader coverage of the swimming pool parking area.

Golf Course: Jeff Nichols stated that the Golf Board has not yet held its meeting. Revenue has not been as strong as it was previously, but this is the time of year when the golf season is beginning to wind down.

Safety Committee: Billie Mitchell reported that the Safety Committee held its regular meeting on July 21. The committee approved the Safety Committee Proposed Charter and various checklist forms. Inspections have been completed at the Community Center, City Office, Library, and Public Works Shop. Copies of all inspection reports will be maintained at the City Office, and the next meeting will be Tuesday, August 18 at 11:00 a.m. at the Bridgeport Public Library.

Administration: Waste Connection and the City has scheduled the Free Fall Dump Day for October 10 with alley pick up the day before.

VIII. REGULAR AGENDA

18. Emergency Items – None

19. Anthony Gurrola with Trusted Community Development (TCD) proposed a one-year Memorandum of Understanding (MOU) with the City of Bridgeport at a cost of \$8,476.00. Services would include assistance with the upcoming LB 357 campaign, grant-writing assistance, supporting existing businesses, business retention, expansion, startup assistance, and business attraction. Gurrola mentioned the Rural Workforce Housing Program grant with matching funds to the state; assistance with local youth with career opportunities; promoting activities through social media for example community light tours and garage sales.

Mayor Beyer has attended several presentations from TCD, and given that the City currently does not have a City Administrator, felt it is important that the city continues to support TCD and keep moving forward with progress they would help for the city. Council Member Wickard made a motion to approve the Mayor's signature on the MOU in the amount of \$8,476.00, seconded by Council Member Nichols. Roll call resulted as follows; Aye: Harless, McGrath, Wickard, Nichols; Nay: None. Motion carried.

20. Mayor Beyer stated the City already agreed to move forward and pay the start of fee of \$5,000.00 and annual affiliation fee of \$1,200.00 to Nebraska Communities Foundation which will handle the administrative and behind-the-scenes aspects of fundraising and managing the fund for a new pool and stated there is a team of community members that will be a part of the fundraising efforts.

21. Rachel Lang has completed her internship with the City and was commended for the City's social media presence, and it was noted the views on the City of Bridgeport's Facebook page increased over 500%, but with TCD's contract the social media services will be covered. Rachel has since received a job in her field of study in the insurance industry.

22. Due to an increase in complaints regarding free-roaming animals, the Council discussed reviewing the City's existing ordinances concerning pet ownership and limitations. Council will review the matter further and consider establishing a pet limit similar to the provisions in the City's chicken ordinance for discussion at the next Council meeting.

23. Mayor Beyer discussed the procedures for Special Designated Liquor Licenses (SDLs) and requested that the Council revisit the process, stating that she felt all SDL licenses should be placed on the Council agenda. City Clerk Huck explained the current process, which allows the City to approve an SDL through a resolution that is signed and then emailed to the Council and Sheriff without requiring the matter to be placed on the agenda. This process is necessary due to the time limits imposed by the Nebraska Liquor Control Commission and the City Council meeting schedule, which occurs only once a month. After much discussion, the process will remain the same at this time.

10-Minute Intermission

24. Travis Rodak commented on the budget and stated the city's financial health is strong, and being under budget. Travis adjusted revenue and expenses, notably reducing water, sewer, and the nursing home is completely off the budget. The city's cash reserve is doing good. The electrical system's revenue is down, affecting the overall budget and the city is considering rate increases to maintain financial stability. The Blue Cross Blue Shield insurance plan increased by 9%.

At 6:49 p.m., Council Member Harless made a motion to go into executive session to discuss employee wages to include City Attorney Rodak, seconded by Council Member Nichols. Roll call resulted as follows; Aye: Wickard, Harless, Nichols, McGrath; Nay: None. Motion carried.

Doretta J Huck, City Clerk

Gail Beyer, Mayor

At 7:07 p.m., Council Member Wickard made a motion to exit executive session with no action being taken, seconded by Council Member Harless, Roll call resulted as follows; Yeas; Harless, Wickard, McGrath, Nichols; Nay: None. Motion carried.

IX. ADJOURNMENT

There being no other business, the Mayor entertained a motion to adjourn the meeting. Council Member Wickard made a motion to adjourn the meeting at 7:09 p.m., seconded by Council Member Harless. Roll call resulted as follows; Aye: Harless, Wickard, Nichols, McGrath; Nay: None. Motion carried.

APPROVED:

Mark Wickard, Council President

Gail Beyer, Mayor

I, the undersigned Clerk, hereby certify that the foregoing is the full, true and correct original document of proceedings of Thursday, August 13, 2026, had and done by the Mayor and City Council; that all of the subjects included in the proceedings were contained in the agenda for the meeting, kept continually current and available for public inspection at the office of the Clerk; that such subjects were contained in said agenda for at least twenty-four hours prior to the meeting; that at least one copy of all reproducible material discussed at the meeting was available at the meeting for examination and copying by members of the public; that the said minutes were in written form and available for public inspection within ten working days and prior to the next convened meeting of said body; that all news media requesting notification concerning meetings of said body were provided advance notification of the time and place of said meeting and the subjects to be discussed at said meeting.
