CERTIFICATION

I hereby certify that the above statements are correct and that if a Building Permit is issued all work will be done in accordance with the ordinances of the City of Bridgeport, Nebraska. The undersigned also agrees in applying for a building permit, that if the lot on which this permit is sought does not have curb and gutter installed, that the Applicant will, at his/her expense install curb and gutter on said lot to City specifications on or before completion of the project for which this Permit is sought. (Ordinance #622).

FLOOR PLAN

The City of Bridgeport requires a Floor Plan for all new construction projects and must be drawn to scale. Floor plans should be attached on a separate sheet and include all of the following:

1. All floors, including basement
2. All rooms, current and proposed, use of each room and dimensions
3. Location of structural elements and openings
4. Doors and windows (location, size, swing, and hardware)
5. Fire assemblies and separations.
6. Identify new/existing walls, call out construction of walls
7. Interior finish
